

Teamsters' National Pension Plan
Pension Workshops

Workshops will provide:

- General information on the provisions of the Plan, its history, a list of current Trustees and funded status will be available. We will also provide information on the Plan's formula for pension accrual, retirement options and death benefits.
- The Plan's Trust Agreement, Plan Text, Plan's Statement of Investment Policy, Governance Policy and Funding Policy will be available for Members' review.
- If required, one on one meetings will be arranged to provide specific information on your individual pension accrual as well as early and normal retirement options.
