

June 2024 – News Brief

Pension Statements

Just a brief note to remind all Active Plan Members that TNPP the annual pension statements have been mailed out and should arrive shortly at the address you have provided the Plan Office. *If your address has changed, please contact the Plan Office so we may update our records to ensure you receive this important information.*

Retiree Statements

The Plan will also be sending out Retiree Statements along with confirmation letters to ensure you are still an active Retiree under the Plan. The Retiree Statements normally are mailed each year in July along with the confirmation letters so once again, please ensure we have current and updated contact information.

Vested Pensioner Statements

If you are a Vested/Deferred Plan Member, you will also be receiving a statement shortly. We ask that you continue to keep your contact information current, so we are able to provide you with this important information on an annual basis.

We would like to take this opportunity to remind you to contact the Plan Office at any time should you have any questions regarding the aforementioned or wish to discuss your Plan Member record.
